ineffectual meetings, nothing of inter-shall be completed. est transpiring, as a portion of the committee were absent. We copy the ollowing account of a meeting Monday from a telegraph dispatch:

The joint committee of conference on the Kansas bill met this morning, all the members being present for the first time.

Mr. Green, on behalf of majority of the Senate committee, submitted seve ral propositions amending the senate bill, none of which proved acceptable to the House committee. Propositions were then solicited from the House committee. Mr. English responded that at the

next meeting of the committee he would submit a new bill, the precise character of which has no but it is understood to or a substitute for th dinance, and that t mission under the L tution, with the as be referred to a fair of Kansas at an earl majority vote for it, into the Union under the proclamation. If against it, lation there equals the number requi-till our next issue. red for a member in the U. S. House

of Representatives. The committee adjourned over till to-morrow.

the conference and passed.

TAKE WARNING .- We have been sorry to notice within the last few eeks that several notices, posted up down and destroyed, almost before wider circulation. they have had time to get dry. Such be prosecuted to the fullest extent.

THE COMING SUMMER .- It is said hat the Earl of Rosse, one of the first astronomers in Europe, has told a gen-Earl has found out that fact, if it is a fact, he has not yet told the world; but probably, where our farmer friends have the faith, and the means, and the humanity, they had better take his gassus, goes tearing away in a most insane.

Every graduate of a corner as the 'Upper Peninsula,' shall be joined with the northern part of Wisconsin, bordering upon Lake Superior, the two to constitute a new State, bearing the title of Ontant the means, and the mounting an imaginary great brute of a Pathumanity, they had better take his gassus, goes tearing away in a most insane.

This movement originates in the right and the mounting and talents, as the 'Upper Peninsula,' shall be joined to the ween the age of 20 and 30 years.
